

## Steven S Y Tee

Lee Hishammuddin Allen & Gledhill is pleased to welcome Steven S Y Tee, a projects and construction lawyer who joined the firm as a partner on 1 August 2017.

Steven has extensive experience, both domestically and internationally, in advising on major utility, energy and infrastructure projects. In addition to Malaysia, he was previously resident in Singapore and the Middle East, where he was attached to international firms, and has worked on, among other things, independent water and/or power projects as well as projects in the transport, oil & gas, metals and real estate sectors in SE Asia and the Gulf.

He has acted for sponsors, governments, contractors, lenders and other stakeholders in relation to greenfield project development as well as the sale or acquisition of existing project assets or companies, whether on a negotiated or competitive bid basis. Throughout two decades of practice, Steven has remained active in the M&A field generally, being the area in which he had first commenced practice, particularly in the private equity sector.

Steven has advised and negotiated on various project documentation, such as power purchase agreements, concession agreements, operation and maintenance agreements, as well as construction contracts. In fact, he is an adviser to clients in the construction industry. He regularly counsels developers, contractors, consultants and suppliers on major construction and engineering and other service agreements. He is well versed with the International Federation of Consulting Engineers (FIDIC) suite of contracts used in various guises in international transactions.

Steven is a former ASEAN Scholar and obtained his LLB (Hons) from the University of Melbourne in 1995 under an Australian government scholarship. He also holds an LLM from King's College London. He was admitted as an advocate and solicitor of the High Court of Malaya in 1996 and as a solicitor of the Senior Courts of England and Wales in 2003.
