## Flexible Working Arrangement: Legal Issues & Concerns

### Live Panel Discussion

Since the pandemic, many business organisations have embraced flexible work arrangements (FWAs) as they can see the benefits for their businesses and the well-being of their employees. Employers should, however, be aware of the various legal issues and concerns that come with working remotely. In this session, Shariffullah and Arissa will discuss:

- Entitlement to FWA
- Employees' Duties & Obligations
- Common Problems Faced by Employers
- Managing Misconduct in FWA
- Cybersecurity & Confidentiality
- Health & Safety

### Who should sign up?

- HR/IR Directors, Managers, Officers and Executives
- Directors/Heads of Department
- Corporate/HR/IR Consultants
- In-house Legal Counsel
- Personnel/Training Managers
- Administrations Managers/Officers

This is a **COMPLIMENTARY** session. Early registration is recommended due to limited capacity. To register, please scan or click the QR code below.
